DECLARATION UNDER 37 CFR §1.132

1. I am the inventor named in the captioned patent application.
2. The references relied on the Office Action dated December 22, 2003 for a rejection under 35 U.S.C. §102 are publications describing my own work.
3. The named co-author, Ulrich Raff, was working under my direction to help implement my work described in these publications.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

Respectfully,

Michael Hutchinson
